Dear Mr. Beiro,

I am writing on behalf of Hopecam to thank you for your generous donation of \$8,000.00. Please keep this written acknowledgment of your donation for your tax records.

Hopecam, a 501(c)3 nonprofit, helps pediatric cancer patients overcome social isolation by virtually connecting them with their teachers and classmates—whether it's for a pre-K playdate or a high school-level class. By working with hospitals, social workers, families and schools, Hopecam makes it easy for a child with cancer to stay connected by providing—at no cost to families—the necessary technology and Internet access.

Thank you for helping us help kids feel more supported and less depressed through the power of connection.

Sincerely,

Lauren V. Priestas
