

A Letter from the President

Celebrating Another Successful Year at Kingsmill | October 2026

On behalf of the Virginia Wireless Association Board of Directors, I want to extend a heartfelt THANK YOU to everyone who helped make our 2026 Charity Golf Tournament at Kingsmill Resort such an incredible success!

This year marked our 9th year at Kingsmill, and once again, the wireless industry showed just how special this community truly is.

From our Wednesday evening Networking Social to Thursday's tournament on the beautiful River Course, it was wonderful to see so many familiar faces, welcome new participants, and bring together wireless professionals from across Virginia and beyond.

But what makes this event truly special isn't just the golf, networking, or friendly competition. It's the opportunity to come together as an industry and make a meaningful difference.

TOGETHER, WE RAISED \$30,000 FOR CHARITY

\$10,000 — Warriors 4 Wireless

\$10,000 — Tower Family Foundation

\$10,000 — The Jason Los Foundation

Through the generosity of our sponsors, golfers, and supporters, VAWA will be making these donations to three organizations that hold a special place in our industry and do meaningful work supporting individuals, families, and communities.

Whether it's helping veterans transition into careers in wireless, supporting tower workers and their families during difficult times, or honoring the legacy of our friend and former board member Jason Los, we couldn't be more proud to support their missions.

To Our Sponsors: Thank you for your continued generosity and commitment to VAWA. Your support is what makes events like this possible, and we sincerely appreciate your investment in our association and charitable initiatives.

To Our Golfers and Attendees: Thank you for showing up, participating, purchasing raffle tickets, supporting our contests, and helping us raise money for these incredible causes. Your generosity made this achievement possible.

To Our Volunteers and Board Members: Thank you for the countless hours of planning, coordination, and hard work that go into making this tournament a success year after year.

And finally, a special thank you to Kingsmill Resort for once again providing an outstanding venue and experience for our event.

As an association, we take great pride in creating opportunities for networking, strengthening relationships within the wireless industry, and giving back to the communities and organizations that support us.

This year's \$30,000 contribution is a testament to what we can accomplish when we come together.

Thank you again for making our ninth year at Kingsmill one to remember. We look forward to seeing everyone at our upcoming VAWA events and continuing this tradition of giving back!

With sincere appreciation,

Michael Harvey
President, Virginia Wireless Association
