Dear Alex,

In this season of expressing gratefulness, I am thankful for the opportunity to lead the Warriors4Wireless team and help our nation's warriors seamlessly transfer to wireless careers. I am especially thankful for industry partners like you because your faith in our nation's veterans is on display with each one you hire. You are truly changing lives!

You are a compassionate supporter of W4W! Your generous contribution of \$6,000 helped us quadruple the number of veterans we reached this year while maintaining a placement rate well above the 90% mark. Your compassion changed the lives of these unemployed or underemployed veterans as well as, for most, their families.

W4W is poised to triple our production of tower technicians in 2018 while also expanding our training offerings. Tens of thousands of veterans transition every year and, with your help, W4W will continue to serve those who have faithfully served.

Warriors4Wireless is a charitable, nonprofit organization* focused solely on helping you find and employ well trained and motivated veterans. We aspire to do more and will succeed through the active participation of patriotic supporters like you.

Thanks for all you have done in 2017, please help us do more in 2018!

Sincerely,

Kevin J. Kennedy, Major General, USAF (Retired)
President and CEO
